The Meaning of YAYIN in the Old Testament Lael Othniel Caesar,1986

Job (Baker Commentary on the Old Testament Wisdom and Psalms) Tremper III Longman, 2012-08-01 Veteran Old Testament scholar Tremper Longman offers an accessible commentary on one of Scripture's most intriguing books. With his deft exegetical and expositional skill, the resulting work is full of fresh insight into the meaning of the text. In addition to the helpful translation and commentary, this volume considers theological implications of the wisdom texts found in the book of Job as well as their literary, historical, and grammatical dimensions. Footnotes deal with many of the technical matters, allowing readers of varying interest and training levels to read and profit from the commentary and to engage the biblical text at an appropriate level. This built-in versatility has application for both pastors and teachers.

Unquenchable Lamp of the Covenant Abraham Park, 2011-07-05 The Unquenchable Lamp of the Covenant continues the popular series by Rev. Abraham Park, offering Christian seekers an engaging, yet precisely Bible-based exploration of God's redemption plan for humanity. In this book, we learn what the Bible's carefully listed genealogy of Jesus Christ shows us about that more significant purpose. The biblical timeline outlined in this Bible study of New Testament genealogies reveals how God was at work in redemptive history to guide it towards its fulfillment. This title is part of The History of Redemption series which includes: Book 1: The Genesis Genealogies Book 2: The Covenant of the Torch Book 3: The Unquenchable Lamp of the Covenant Book 4: God's Profound and Mysterious Providence Book 5: The Promise of the Eternal Covenant

The Frontiersman's Daughter Laura Frantz, 2009-08-01 Lovely but tough as nails, Lael Click is the daughter of a celebrated frontiersman. Haunted by her father's former captivity with the Shawnee Indians, as well as the secret sins of her family's past, Lael comes of age in the fragile Kentucky settlement her father founded. Though she faces the loss of a childhood love, a dangerous family feud, and the affection of a Shawnee warrior, Lael draws strength from the rugged land she calls home, and from Ma Horn, a distant relative who shows her the healing ways of herbs and roots found in the hills. But the arrival of an outlander doctor threatens her view of the world, God, and herself--and the power of grace and redemption. This epic novel gives readers a glimpse into the simple yet daring lives of the pioneers who first crossed the Appalachians, all through the courageous eyes of a determined young woman. Laura Frantz's debut novel offers a feast for readers of historical fiction and romance lovers alike.

A Faith and Culture Devotional Kelly Monroe Kullberg, Lael F. Arrington, 2008 Kullberg and Arrington weave together inspiration and illumination, thereby engaging both heart and mind with each daily devotion. In this collection of short, accessible readings, they explore significant ideas, people, and events from a Christian worldview.

Secret Scrolls Robert M. Price, 2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax; will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have

done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith, even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. *Secret Scrolls* assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate, and so will *Secret Scrolls*.

Stewards of Eden Sandra L. Richter, 2020-02-25 Sandra L. Richter cares about the Bible and the environment. Using her expertise in ancient Israelite society as well as in biblical theology, she walks readers through biblical passages and shares case studies that connect the biblical mandate to current issues. She then calls Christians to apply that message to today's environmental concerns.

Covenant of the Torch Abraham Park, 2011-07-05 The Covenant of the Torch made with Abraham is the most significant among all the covenants in the Bible. Why? It's the most detailed yet condensed summary of God's divine administration for redemption that outlines the work of restoration of His godly people and holy land. In this book, Rev. Abraham Park brings to life the Covenant of the Torch and helps us to understand--accurately, and in chronological detail--692 years of redemptive history starting from Abraham, including the great exodus, the wilderness journey and the conquest of Canaan. Just as his best-seller *The Genesis Genealogies* has helped readers to better understand the time frames and relationships in *The Book of Genesis*, Rev. Park now helps us to study the books of Exodus up to Joshua carefully and to realize what those events and participants tell us regarding God's larger plan. This book offers: A detailed chronology of 692 years from Abraham to the Israelites' conquest of Canaan. The first-ever map of all 42 campsites in the wilderness. Color photos of the locations in the wilderness journey. A theologically sound method of viewing God's Word through the perspective of God's administration in the history of redemption. Wisdom and insight on how to overcome the spiritual wilderness in our lives of faith today. Despite periods of spiritual darkness, unbelief, complaining and grumbling by the people of God as they wandered in the desert, we see God's faithfulness in fulfilling His Word and the Covenant of the Torch. And by understanding the chronological flow of the biblical events in a systematic manner, we gain a much broader and deeper grasp of God's plan of salvation. This title is part of *The History of Redemption* series which includes: Book 1: *The Genesis Genealogies* Book 2: *The Covenant of the*

The Scroll of the Gospel of David Tony Robinson, 2008-06 In John 5:39 and 46, Yeshua (Jesus) emphatically stated that the Torah was written about Him! Furthermore, in Luke 24:27 and 44-47, He stated that the following truths were prophesied in the Torah, the Prophets and the Psalms: He would suffer, die, be buried in the grave, resurrected, and finally, repentance and remission of sins would be preached in His name among the nations. With Yeshua's statements in mind, would you be able to find one such prophecy? Unfortunately, most who believe that Yeshua is the Messiah are hard pressed to point to any such prophecies. Even so, The Scroll of the Gospel of David will introduce you to an entire world of Messianic prophecy in the Old Testament and will help you understand how the death, burial and resurrection of Yeshua in three days is the most prophesied event in the Old Testament! Tony Robinson is a writer, teacher, worship leader and songwriter who has been involved in Messianic ministry for the past seven years. He graduated from the University of Illinois with a B.S. in chemistry and from Kansas State University with a M.S. in analytical chemistry. He is director of Restoration of Torah Ministries, a non-profit organization established to 1) teach the Hebraic roots of the faith, 2) lead Messianic worship and 3) write Messianic songs that celebrate the Torah. Furthermore, he is author of the web page, Restoration of Torah. The web page contains many articles and a complete set of Torah lessons. He currently attends Beth Abara Hebraic Assembly in Cleveland, TN, and lives in Ringgold, GA, with his wife, Tina, and four children, Sean, Evan, A.J. and Erica.
