Leadership Richard L. Daft, 2010-06-26 Equip your students with the critical leadership skills and solid understanding of today's theory they need to become effective business leaders in today's turbulent times with Daft's LEADERSHIP, 5E, International Edition. Acclaimed author Richard Daft helps your students explore the latest thinking in leadership theory and contemporary practices at work within organizations throughout the world. This edition more closely connects theory to recent world events, such as the Wall Street meltdown, ethical scandals, and political turmoil. Students examine emerging topics, including enhancing emotional intelligence, leadership vision and courage, leading virtual teams, and open innovation. Packed with memorable examples and unique insights into actual leadership decisions, this edition now offers full-color visuals to reinforce the book's engaging presentation. This edition's proven applications, specifically designed for today's leadership theory and applications course, and a solid foundation grounded in established scholarly research make the topic of leadership come alive for your students.

The Leadership Experience Richard L. Daft, 2011

Developing the Leader Within You John C. Maxwell, 2005-08-20 Developing the Leader Within You is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. "Leadership is influence. That's it. Nothing more; nothing less." The Traits of Leadership. "Leadership is not an exclusive club for those who were 'born with it.' The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader." The Difference Between Management and

Leadership. “Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader.” God has called every believer to influence others, to be salt and light. Developing the Leader Within You will equip you to improve your leadership and inspire others.

The Truth about Leadership James M. Kouzes, Barry Z. Posner, 2010-07-23 A fresh look at what it means to lead from two of the biggest names in leadership In these turbulent times, when the very foundations of organizations and societies are shaken, leaders need to move beyond pessimistic predictions, trendy fads, and simplistic solutions. They need to turn to what's real and what's proven. In their engaging, personal, and bold new book, bestselling authors James Kouzes and Barry Posner reveal ten time-tested truths that discuss what every leader must know, the questions they must be prepared to answer, and the real-world issues they will likely face. In the book, you'll find: Material based on thirty years of research, more than one million responses to Kouzes and Posner's leadership assessment, and the questions people most want leaders to answer Explorations of the fundamental, enduring truths of leadership that hold constant regardless of context or circumstance-leaders make a difference, credibility, values, trust, leading by example, heart, and more Demonstrations of emerging leaders and what they need to know to be effective Fans of The Leadership Challenge will find a dynamic new look at the real challenges leaders face today. The book draws from cases spanning three generations of leaders from around the world. It's an indispensable resource leaders can use to do their real and necessary work-bringing about the essential changes that will renew organizations and communities.

The Well-managed Healthcare Organization Kenneth Ray White, John R. Griffith, 2010 Griffith's name appears first on the earlier ed.

Exploring Leadership Susan R. Komives, Nance Lucas, Timothy R. McMahon, 2013-05-17 This third edition is a thoroughly revised and updated version of the bestselling text for undergraduate leadership courses. This book is designed for college students to help them understand that they are capable of being effective leaders and guide them in developing their leadership potential. The Relational Leadership Model (RLM) continues as the major focus in this edition, and the book includes stronger connections between the RLM dimensions and related concepts, as well as visual applications of the model. The third edition includes new student vignettes that demonstrate how the major concepts and theories can be applied. It also contains new material on social justice, conflict management, positive psychology, appreciative inquiry, emotional intelligence, and new self-assessment and reflection questionnaires. For those focused on the practice of leadership development, the third edition is part of a complete set that includes a Student Workbook, a Facilitation and Activity Guide for educators, and free downloadable instructional PowerPoint® slides. The Workbook is a student-focused companion to the book and the Facilitation and Activity Guide is designed for use by program leaders and educators.

The Leadership Challenge James M. Kouzes, Barry Z. Posner, 2017-03-30 The most trusted source of leadership wisdom,

updated to address today's realities The Leadership Challenge is the gold-standard manual for effective leadership, grounded in research and written by the premier authorities in the field. With deep insight into the complex interpersonal dynamics of the workplace, this book positions leadership both as a skill to be learned, and as a relationship that must be nurtured to reach its full potential. This new seventh edition has been revised to address current challenges, and includes more international examples and a laser focus on business issues; you'll learn how extraordinary leaders accomplish extraordinary things, and how to develop your leadership skills and style to deliver quality results every time. Engaging stories delve into the fundamental roles that great leaders fulfill, and simple frameworks provide a primer for those who seek continuous improvement; by internalizing key insights and putting concepts into action, you'll become a more effective, more impactful leader. A good leader gets things done; a great leader aspires, inspires, and achieves more. This book highlights the differences between good and great, and shows you how to bridge the chasm between getting things done and making things happen. Gain deep insight into leadership's critical role in organizational health Navigate the shift toward team-oriented work relationships Motivate and inspire to break through the pervasive new cynicism Leverage the electronic global village to deliver better results Business is evolving at an increasingly rapid rate, and leaders must keep pace with the changes or risk stagnation. People work differently, are motivated differently, and have different expectations today—business as usual is quickly losing its effectiveness. The Leadership Challenge helps you stay current, relevant, and effective in the modern workplace.

A Speaker's Guidebook Dan O'Hair, Rob Stewart, Hannah Rubenstein, 2011-10-26 A Speaker's Guidebook is the best resource in the classroom, on the job, and in the community. Praised for connecting with students who use and keep it year after year, this tabbed, comb-bound text covers all the topics typically taught in the introductory course and is the easiest-to-use public speaking text available. In every edition, hundreds of instructors have helped us focus on the fundamental challenges of the public speaking classroom. Improving on this tradition, the fifth edition does even more to address these challenges with stronger coverage of overcoming speech anxiety, organizing and outlining, and more. And as the realities of public speaking change, so does A Speaker's Guidebook; the new edition also focuses on presentational speaking in a digital world — from finding credible sources online to delivering presentations in a variety of mediated formats. Read the preface.

Exploring Leadership Susan R. Komives, Nance Lucas, Timothy R. McMahon, 2009-09-25 This is the thoroughly revised and updated second edition of the best-selling book Exploring Leadership. The book is designed to help college students understand that they are capable of being effective leaders and to guide them in developing their leadership potential. Exploring Leadership incorporates new insights and material developed in the course of the authors' work in the field. The second edition contains expanded and new chapters and also includes the relational leadership model, uses a more global context and examples that relate to a wide variety of disciplines, contains a new section which emphasizes ways to work to

accomplish change, and concludes with concrete strategies for activism.

7 Principles of Transformational Leadership Hugh Blane, 2017-05-23 Learn to flourish as a leader so that a mindset of growth, optimism, and positivity spreads to your employees and shows up in the customer experience. In the world of work, the single greatest asset of successful individuals, teams, and organizations is their mindset—what happens in between their ears. It's not the corporate strategy, the sales compensation plan, or the market segments they're pursuing. It is what each leader, team member, and employee chooses to focus on, believe, and create for themselves and others. 7 Principles of Transformational Leadership presents the fundamental concepts whose implementation will result in dramatic revenue, performance, and relationship growth. Specifically, leaders will learn to: Live their professional and personal lives with unbridled purpose and passion. Execute strategic priorities more effectively and with accelerated results. Retain the brightest and best talent. Have employees, key stakeholders, and managers enthusiastically follow them. Be exemplars of innovation, growth, and positive mindsets. Cascade excellence throughout their organizations. You may have employees with all the talent in the world, but you'll never achieve remarkable results until you change your employees' mindset. 7 Principles of Transformational Leadership will help you convert your human potential into accelerated business results.

The Leadership Moment Michael Useem, 1999-06-01 Are you ready for the leadership moment? "Gripping adventure and actionable advice."—Fast Company Merck's Roy Vagelos commits millions of dollars to develop a drug needed only by people who can't afford it • Eugene Kranz struggles to bring the Apollo 13 astronauts home after an explosion rips through their spacecraft • Arlene Blum organizes the first women's ascent of one of the world's most dangerous mountains • Joshua Lawrence Chamberlain leads his tattered troops into a pivotal Civil War battle at Little Round Top • John Gutfreund loses Salomon Brothers when his inattention to a trading scandal almost topples the Wall Street giant • Clifton Wharton restructures a \$50 billion pension system direly out of touch with its customers • Alfredo Cristiani transforms El Salvador's decade-long civil war into a negotiated settlement • Nancy Barry leads Women's World Banking in the fight against Third World poverty • Wagner Dodge faces the decision of a lifetime as a fast-moving forest fire overtakes his firefighting crew.

The Art and Science of Leadership Afsaneh Nahavandi, 2013-08-01 For undergraduate and graduate courses in leadership. Nahavandi's text has an application emphasis with a cross cultural perspective on leadership.

Principles of Management David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16 Black & white print. Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety

of areas have authored individual chapters.

The Leadership Experience Richard L. Daft, 2005 This book integrates materials from both micro and macro approaches to leadership, from academia and the real world, and from traditional ideas and recent thinking.

The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

Leadership Richard L. Hughes, Robert C. Ginnett, Gordon J. Curphy, 2005-03-07 Leadership: The Art of Experience, Fifth Edition, is written for the general student to serve as a stand-alone introduction to the subject of leadership. The text consists of 13 chapters and a final section on Basic and Advanced Leadership Skills. Authors Hughes, Ginnett, and Curphy have drawn upon three different types of literature: empirical studies; interesting anecdotes, stories and findings; and leadership skills to create a text that is personally relevant, interesting and scholarly. The authors' unique quest for a careful balancing act of leadership materials help students apply theory and research to their real-life experiences.

The Fire Chief's Handbook, 7th Edition Richard A. Marinucci, 2015-04-17 The Fire Chief's Handbook, 7th Edition continues Fire Engineering's 82-year tradition of publishing the definitive resource for advanced fire service training. The text has been completely updated to meet the changing environment and added responsibilities of the fire service. Returning authors have rewritten their chapter to address today's leadership and administrative concerns, while new authors are also introduced to offer new perspectives. This comprehensive guidebook is designed for firefighters, company officers, and chief officers of all ranks and department types who want the latest information on the fundamentals of leadership in the fire service, as well as managing the day-to-day operations of a fire department.

Diversity and Leadership Jean Lau Chin, Joseph E. Trimble, 2014-09-02 Although leadership theories have evolved to reflect changing social contexts, many remain silent on issues of equity, diversity, and social justice. Diversity and Leadership, by Jean Lau Chin and Joseph E. Trimble, offers a new paradigm for examining leadership by bringing together

two domains—research on leadership and research on diversity—to challenge existing notions of leadership and move toward a diverse and global view of society and its institutions. This compelling book delivers an approach to leadership that is inclusive, promotes access for diverse leaders, and addresses barriers that narrowly confine our perceptions and expectations of leaders. Redefining leadership as global and diverse, the authors impart new understanding of who our leaders are, the process of communication, exchange between leaders and their members, criteria for selecting, training, and evaluating leaders in the 21st century, and the organizational and societal contexts in which leadership is exercised.
