Reflexiones Diarias Alcoholics Anonymous World Services, Inc.,2014-05-14 Esta colección de lecturas avanza por el año de calendario un día —y una página— a la vez. Cada día aparece una cita favorita de la literatura de A.A. seguida por la reflexión personal de un miembro de A.A., ofreciendo así una lectura diaria inspirada e inspiradora. Este volumen, enfocado principalmente en los Tres Legados de Recuperación, Unidad y Servicio ofrece experiencia, fortaleza y esperanza relacionadas con temas específicos, como por ejemplo, la buena voluntad, la fe y las reparaciones —temas que el alcoholico en recuperación tiene que considerar cada día— y nos recuerda que no estamos nunca solos en Alcohólicos Anónimos. Ya sea que se use la lectura del día como tema para su meditación matutina, como punto de diálogo con un padrino, o texto que compartir con el grupo base, muchos miembros de Alcohólicos Anónimos consideran Reflexiones diarias como un elemento de importancia crucial de su caja de herramientas espirituales.” Incluye un índice temático para ayudar a guiar las conversaciones. Reflexiones diarias ha sido aprobado por la Conferencia de Servicios Generales.

Reflexiones diarias Alcoholics Anonymous,1991-01-01

Daily Reflections A a,Aa World Services Inc,2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

Doce Pasos Y Doce Tradiciones AA World Services Inc,2015-02-12 Ensayos sobre los Pasos y las Tradiciones escritos

por Bill W. hablan de los principios de la recuperacion personal y la unidad del grupo.

Veinticuatro Horas al Dia Anonymous,2015-10-21 El libro Veinticuatro Horas al Dia, se enfoca en el programa de recuperacion del alcoholismo, y las Doce Tradiciones que tratan de los problemas que afectan a la unidad del grupo de A.A. y de la Comunidad a escala mundial. Este libro explica cada uno de los Doce Pasos sugeridos que constituyen la forma de vida de A.A. y cada una de las Tradiciones que tratan de la manera en que los grupos funcionan para llevar el mensaje de recuperacion del alcoholismo al alcoholico que aun sufre. Cada dia, se ofrece una meditacion, pensamientos, y oraciones, para vivir una vida plena, sin necesitar del alcohol, y nos da la fuerza para no tomar beber alcohol este dia, solo por hoy, pues el ayer es pasado, y manana solo una vision, solo necesitas no beber alcohol, en este momento...

El Pensamiento Del Día Max Schmidt,2014-12-24 El Pensamiento del Día tiene la mira de ayudar a los miembros de Alcohólicos Anónimos en su programa de vivir un día cada vezHa sido formulado para aquellos que deseen iniciar cada día con unos minutos de pensamiento, meditación y oración, y para que compartan sus puntos de vista con sus compañeros.Estas lecturas diarias encierran la mayor parte del material empleado en el folleto Para Alcohólicos Solamente y demás literatura de A.A., así como algunos pasajes del Libro Grande Alcohólicos Anónimos.Como base para las meditaciones de este libro, hemos utilizado muchos pasajes del libro Invocación a Dios.Tenemos la esperanza de que estas lecturas diarias puedan ayudar a los miembros de Alcohólicos Anónimos a encontrar la fuerza que necesitan para permanecer sobrios cada veinticuatro horas.Si hoy no bebemos esa primera copa, jamás la beberemos, porque siempre es hoy.

Sex Addicts Anonymous SAA Fellowship,2017-05-03 The basic text of the SAA fellowship, Sex Addicts Anonymous explains sex addiction from the SAA perspective and demonstrates, through examples, how sex addiction worsens over time. It describes the personal powerlessness and unmanageability of sex addiction, and the damage to personal relationships, livelihood, and physical health that is often caused by addictive behavior. Sex Addicts Anonymous conveys a vision of hope for the addict through a recovery program based on the time-honored Twelve Steps that were initially proposed for alcoholics. A separate section of the book offers a variety of personal stories from individual members of the fellowship to illustrate the challenges and the hope of recovery.

A Woman's Way through the Twelve Steps Stephanie Covington,2024-01-23 This guide to the Twelve Steps from Dr. Stephanie S. Covington, a pioneer in the field of women's issues, addiction, and recovery, preserves the spirit of the

Alcoholics Anonymous program with a focus on healing language with women's needs in mind. Published in 1994, *A Woman's Way through the Twelve Steps* has long been a unique resource that helps women find their own paths in recovery—paths shaped by the way women experience not only addiction and recovery, but also relationships, self, sexuality, spirituality, and everyday life. Now, stories from five new voices expand the perspective of this recovery classic. Over the past thirty years, what it means to identify as a woman in recovery has broadened to include transgender, nonbinary, and other gender-diverse people. This new edition includes updated, inclusive language to be more trauma-sensitive and welcoming to all women. This compilation of diverse voices and wisdom from real people illuminates how women understand the Twelve Steps of Alcoholics Anonymous (AA) and offers inspiring stories of how they travel through the Steps and discover what works for them. The book can be used alone or as a companion to AA's Twelve Steps and Twelve Traditions. By identifying and addressing the special issues that recovery presents for women, this book empowers women to take ownership of their own journeys and to grow and flourish in recovery.

It can be used for celebrations, both good and bad! It can be used to toast to someone's good fortune or hope for a better future. It can be used in an expression of undying love or simply to enjoy a relaxing moment at the end of a difficult work week. But alcohol can be an evil thing, also. Alcohol can cause brain damage, heart problems, and strokes. Alcohol can lead to liver damage. Alcohol can lead to drunken driving accidents and even death. Why alcohol is such a problem for some people and not for others still remains a mystery. But the fact is that alcohol is such a problem for some people that it can have life-threatening consequences. These people are called alcoholics, and this book was written for them. The alcoholic has a disease called alcoholism, and like anyone else with a disease, they need help. This

book is the consummate guide for anyone who is finally ready to admit to the problems that alcoholism brings and is ready to accept the help needed to begin recovery. From learning exactly what alcoholism is and how it begins to learning the benefits of quitting, no topic is off limits. We will discuss how one person's alcohol addiction affects the remainder of the family and how family dynamics shift to accommodate the alcoholic. We will talk about the enabler and what they mean to the alcoholic. We will discuss the best ways to quit drinking and the pros and cons of each method. We will talk about recovery plans and the importance of having people available that will assist in the path to recovery. And there will be tips on ways to enjoy life now that alcohol is no longer a problem!

This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

Peace Is Every Step Thich Nhat Hanh,1992-03-01 In the rush of modern life, we tend to lose touch with the peace that is available in each moment. World-renowned Zen master, spiritual leader, and author Thich Nhat Hanh shows us how to make positive use of the very situations that usually pressure and antagonize us. For him a ringing telephone can be a signal to call us back to our true selves. Dirty dishes, red lights, and traffic jams are spiritual friends on the path to "mindfulness"—the process of keeping our consciousness alive to our present experience and reality. The most profound satisfactions, the deepest feelings of joy and completeness lie as close at hand as our next aware breath and the smile we can form right now. Lucidly and beautifully written, *Peace Is Every Step* contains commentaries and meditations, personal anecdotes and stories from Nhat Hanh's experiences as a peace activist, teacher, and community leader. It begins where the reader already is—in the kitchen, office, driving a car, walking a part—and shows how deep meditative presence is available now. Nhat Hanh provides exercises to increase our awareness of our own body and mind through conscious breathing, which can bring immediate joy and peace. Nhat Hanh also shows how to be aware of relationships with others and of the world around us, its beauty and also its pollution and injustices. The deceptively simple practices of *Peace Is Every Step* encourage the reader to work for peace in the world as he or she continues to work on sustaining inner peace by turning the "mindless" into the mindFUL.

The Fantasy of Individuality Almudena Hernando,2017-08-14 The Enlightenment promised humanity a bright future of emancipation which never actually materialized. Instead, our social order is still based on gender inequality, which rests upon

a false conviction: that the individual can be conceived of as separate from community; that the more individualized a person is, the less they need to establish links with their community to feel safe; and that the more they use reason to build a relationship with the world, the less they need emotions. This conviction, which guides the ideals of our social system, is based on a fantasy: the fantasy of individuality. This volume is a step in fleshing out the historical reasons for gender inequality from the origins of humankind to present times in the Western world. It is a theoretically-informed and up-to-date overview of the history of gender inequality that takes as its starting point the mechanisms through which human beings construct their self-identity. Starting from a peripheral, interdisciplinary and heterodox perspective, this book intends to appraise the complexity of gender identity in all its richness and diversity. It seeks to understand the persistence of relationality in supposedly fully individualized male selves, and the construction of new forms of individuality among women that did not follow the masculine model. It is argued here that by balancing community and self beyond the contradictions of hegemonic masculinity, modern women are struggling to build a new, more empowering form of personhood. The author is an archaeologist, who uses her discipline not only to provide data, theory and a long-term perspective, but also in a metaphorical sense: to construct a socio-historical genealogy of current gender systems, through an examination of how personhood and self-identity have been constructed in the Western world.

Love · Forgiving Yourself and Those Who Have Hurt You · Healing Your Relationships · Living Stress Free · Receiving Your Prosperity “Mirror work—looking deeply into your eyes and repeating affirmations—is the most effective method I’ve found for learning to love yourself and see the world as a safe and loving place. I have been teaching people how to do mirror work for as long as I have been teaching affirmations. The most powerful affirmations are those you say out loud when you are in front of your mirror. The mirror reflects back to you the feelings you have about yourself. The more you use mirrors for complimenting yourself, approving of yourself, and supporting yourself during difficult times, the deeper and more enjoyable your relationship with yourself will become.” Love, Louise Hay
