Let the Nations be Glad John Piper, 2020-05-21 'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. *Let the Nations Be Glad!* is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Terra Nostra Carlos Fuentes,2013-05-14 Terra Nostra is one of the great masterpieces of modern Latin American fiction. Concerned with nothing less than the history of Spain and of South America, with the Indian Gods and with Christianity, with the birth, the passion, and the death of civilizations, Fuentes's great novel is, indeed, that rare creation--the total work of art. Magnificently translated by Margaret Sayers Peden, Terra Nostra is, as Milan Kundera says in his afterword, the spreading out of the novel, the exploration of its possibilities, the voyage to the edge of what only a novelist can see and say.

The Scourge of God William Dietrich,2009-10-13 For fans of the movie *Gladiator* comes this bloody account of the clashing of civilizations, as Attila the Hun, *The Scourge of God*, struggles to overthrow the Roman Empire. The Roman Empire is weakening. In 367 AD, approximately eight years after the great battle at Hadrian's Wall, Roman garrisons begin to hear rumors of barbarian tribes massing to the north. By 449 AD, Attila, the ruler of the Huns, has become the continent's most powerful monarch, his reputation in battle earning him the title *The Scourge of God*. Anticipating an imminent attack by the Huns, Roman leaders negotiate with one of Attila's lieutenants, convincing him to play the part of assassin. He is joined on his mission by a Roman citizen, Jonas, an ambassador dispatched to negotiate a peace treaty with the Huns. When the plot is discovered, Jonas becomes a hostage, forced to fight for his captors if he wishes to remain alive. But he soon learns that Attila intends to conquer Rome itself, and is caught between two mighty empires, both poised for one of the greatest conflicts the world has ever seen. Jonas, knowing his life could be forfeit, has the potential to tip the battle in either direction--and his decision will alter the face of Western civilization. As these three lives intertwine, each will discover truths about how they have been shaped by the tragedies they witnessed, and Richard and Lucia will find unexpected, long overdue love.
