**Grammar of "A happy New Year 2019" - English Language** Nov 26, 2018 · I wish you a merry Christmas and all the best in 2019. (Jason's suggestion) I wish you a merry Christmas and a happy 2019! (see here) As 2019 approaches, I wish you a merry Christmas and a happy New Year! On whether merry and happy should be capitalized, see e.g. here (conclusion: probably both capitalized and non-capitalized versions are OK ... Good Luck **\*\*in\*\*** all your endeavors' versus Good Luck **\*\*to\*\*** all ... Jun 28, 2015 · @Turbo I'd use "I wish you well in all your endeavours"; the illogical use of 'to' isn't applicable / available. Possibly, as you and WS2 say, your 'second [variant] sounds less personal', distancing the speaker, discouraging further communication. - phrase requests - How to wish someone "good luck" without ... Jul 11, 2018 · In my native language (Polish) the usual phrase used in place of "Good luck!" is "Powodzenia!" which translates roughly to "I wish you success!". I like this frame of mind much more - you're expressing the hope for success and not making any judgements about how the success is achieved. Unfortunately, "I wish you success!" "*all the best*" - *distinction, comma or no comma?* Mar 1, 2015 · Each statement is identical in meaning, needing no punctuation. It can be offered to one person (A) or more than one person (B): A: "George! We wish you all the best!" B: "Dear Programming Group! We wish you all the best!" You could write B like so: "Dear Programming Group! We wish you all, 'All the best!'" but it is a little awkward-looking ... **Wishing someone that something goes easily for them** For example, someone may be studying for a test and I wish that their studying goes easy. These are the phrases I could come up with. I hope it goes easy for you. I hope the studying goes easy for you. I wish you the best in studying. I'm hoping the studying goes easily for you. Good luck studying. (I don't really like this one since it's a bit ... **"I wish you all the best forever" is grammatically correct?** May 12, 2017 · (I) (wish) (you all) (the best) (forever) (you all) = "all of you" (the best) = what I am wishing for (forever) = how long I want this to continue; However, in the interest of not sounding too heavy, I would drop the "forever". I wish you all the best. You don't need to say forever, because no one is particularly thinking that you are setting ... Is writing "wishing you the best of health" at end of a letter ... Wishing you the best of health, I remain, Yours sincerely, John Smith (with a handwritten signature above the name), which is both complimentary and grammatical. It is no longer considered necessary to go to such lengths, but some pieces, such as 'Yours' or 'wishing you all the best' are often inserted in an attempt to dignify the message. **"Best of luck" or "Best luck"? - English Language & Usage Stack ...** The idiomatic and correct usage is best of luck. It really is short for I wish you the best

of luck. Thus, you see why the of has to be there. The best of is a standard construction, e.g. make the best of it. Certainly, there are situations apart from the one you describe where best luck would be correct, e.g. Among my competitors, I had the best ... Is the phrase "Best of luck ahead!" grammatically correct? Jul 31, 2014 · No, "Best of luck for your future ahead" can't be shortened to "Best of luck ahead". "Best of luck for your future ahead" combines a general phrase with a specific one: "Best of luck" is the general one and "your future ahead" is the specific phrase. So you could say all of these: Best of luck for your exam tomorrow. Best of luck for your trip ... Which one is correct, "best wishes to you" or "best wishes for you"? Best wishes to you is correct. I've never heard a native English speaker say "best wishes for you", and there are no examples of "best wishes for you" in the British National Corpus. "Best wishes for 2011" or "best wishes for the new year" are fine. For more examples, see Google or the British National Corpus.
