**Lectionary Worship Workbook, Series II, Cycle C** Wayne H. Keller, 2000-06 The most impressive thing about Wayne Keller's body of ideas for worship throughout the Christian Year is his boldness. He is bold in demanding that we, his colleagues in liturgical leadership, plan worship that has to do with the reality of our congregations' experience in the world, rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week. He is bold in challenging us to bring that real world -- with its pains and its pleasures, its hungers and its feasts, its beauty and its ugliness -- to exposure before the living God. And he is bold in helping us shine the strong, exposing light of the transforming Word on our real lives and on that real world, so that we may move beyond planning worship as a nice, safe, feel-good routine from which we depart the same people we were when we arrived. We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship. Thank God for Wayne Keller and for his deep respect for the central act of the Christian community: the blessed and life-transforming experience of the worship of God. Richard Avery and Donald Marsh Port Jervis, New York Wayne Keller's method creates not only a contemporary appeal, but

also effects a congregational involvement so necessary today within the liturgical context. His approach is fresh and practical and yet a reflection consistently of a solid liturgical and homiletical background. Keller has the ability to appeal to the everydayness of congregational experience. Donald Macleod Francis L. Patton Professor Emeritus Princeton Theological Seminary The good humor of Wayne Keller's work helps us feel at home in our imperfect world and feel more empathy for the rough edges of others and ourselves. Wayne's work encourages hope and faith with the way we are. Doug Adams Professor of Christianity and the Arts Pacific School of Religion and Graduate Theological Union A cascade of insights, ideas, suggestions, and plans for stimulating the working pastor's imagination and guiding in worship planning. Robert Coote Professor, San Francisco Theological Seminary Editor, Mustard-Seed Churches Wayne Keller elevates us to an authentic bring-your-warts-and-smiles encounter with the living God... a remarkable year-round resource for the entire worship team. Paul Hackett Former pastor and member, First Presbyterian Church Puyallup, Washington Keller says, I have seen people bored to death in worship, seemingly because they come to worship as spectators, not as participants. For me no spectators are allowed! Soren Kierkegaard's analogy of worship as drama has guided my thinking and planning. Wayne H. Keller graduated from Monmouth College in Monmouth, Illinois, and Pittsburgh Theological Seminary. He has served pastorates in Pennsylvania, Washington, and Oregon, and has also been the director of a halfway house for recovering mental patients. A member of the Presbyterian Writers Guild, Keller has published several books and numerous articles, and has been a columnist for the Bellingham Herald. He has also appeared frequently on radio and television programs and co-hosted a call-in counseling program and talk show.

**Lectionary Worship Workbook** Beverly S. Bailey, 2004 The church is a wonderful place to use all of our God-given senses, and this inspiring collection of liturgical resources utilizes art, music, drama, silence, and even aromas to retell the marvelous story of God's covenantal relationships with humankind. As a starting-off place for pastors and worship planners, this innovative workbook is certain to keep the creative juices flowing with new methods of making worship moving and relevant for all your parishioners. For each Sunday there's a complete selection of written liturgical material (calls to worship, prayers, choral readings, and benedictions) to supplement and strengthen your worship services -- all specifically tailored to the week's scripture readings. But that's not all! There's also a wealth of musical suggestions, including hymns chosen from a variety of denominational hymnals and appropriate anthems for the choir. By focusing all of the elements of worship in ways that really connect with the people in your pews, these resources will breathe new life into the scriptures. Anyone who contributes to worshipers hearing the Good News -- pastors, musicians, artists, lay readers, and directors of drama groups -- should have a copy of this must-have volume in their library. Beverly S. Bailey is a certified Christian educator and an ordained elder in the Presbyterian Church (USA). She is currently the director of Christian education at Rockville United Church, a congregation affiliated with both the PCUSA and the United Church of Christ, and she has been a musician or educator at six churches in the metropolitan Washington DC, area. Bailey served as the workshop leader for a Creative Worship Techniques class at the 2002 Interim Ministry National Conference, and she has led workshops for the Association of Presbyterian Church Educators. Bailey is also a partner in New Paths to Ministry, a group of artists and educators who lead workshops and retreats on merging faith and the arts. A former staff writer for Homiletics magazine, Bailey was part of the creative team for the Something Old, Something New curriculum series (Abingdon Press). She earned a B.M.E. from Baker University in Baldwin, Kansas, and an M.A. in Christian Education from Union Theological Seminary/Presbyterian School of Christian Education in Richmond, Virginia.

*A New Hymnal for Colleges and Schools* Jeffery Rowthorn, Russell Schulz-Widmar, 1992-07-29 A New Hymnal for Colleges and Schools is a nondenominational, ecumenical collection of over 400 hymns and 100 psalms designed especially for worship services in academic communities. Hymns and spiritual songs are drawn from many countries and many different traditions. A number of hymns appear in their original languages, as well as in English translations. Throughout the hymnal, gender-inclusive language is used wherever possible. The psalms, for example, depend heavily on inclusive-language versions prepared by the United Methodist Church and the National Council of Churches. Also included are many hymns written in the past quarter-century, as well as new texts and music commissioned especially for this collection. The ample selection of hymns by Americans includes the work of hymn writers, composers, and authors such as Aaron Copland, Emma Lou Diemer, Alice Parker, Virgil Thomson, Richard Proulx, Robert Frost, and John Updike.

*The United Methodist Music & Worship Planner 2020-2021 NRSV Edition* Mary Scifres, David L. *Hymns and Hymnody: Historical and Theological Introductions, Volume 3* Mark A. Lamport, Benjamin K. Forrest, Vernon M. Whaley, 2019-08-01 Hymns and the music the church sings in worship are tangible means of expressing worship. And while worship is one of, if not the central functions of the church along with mission, service, education, justice, and compassion, and occupies a prime focus of our churches, a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship. *Hymns and Hymnody: Historical and Theological Introductions* is a sixty-chapter, three-volume introductory textbook describing the most influential hymnists, liturgists, and musical movements of the church. This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers who have impacted the church over the course of twenty centuries. Volume 1 explores the early church and concludes with the Renaissance era hymnists. Volume 2 begins with the Reformation and extends to the eighteenth-century hymnists and liturgists. Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty-first century. Each chapter contains these five elements: historical background, theological perspectives communicated in their hymns/compositions, contribution to liturgy and worship, notable hymns, and

bibliography. The mission of Hymns and Hymnody is (1) to provide biographical data on influential hymn writers for students and interested laypeople, and (2) to provide a theological analysis of what these composers have communicated in the theology of their hymns. We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology. This latter aspect, we contend, is missing—yet important—in accessible formats for the current literature.

**Liturgical Music for the Revised Common Lectionary, Year C** Thomas Pavlechko, Carl P. Daw, 2024-05-14 A new edition of the comprehensive resource linking hymns and anthems to lectionary readings. The final volume in a three-volume series of planning guides for church musicians and clergy, this resource identifies hymns and anthems that are connected to the scripture appointed for Sundays and feast days. In addition to identifying hymns and anthems appropriate for each Sunday of the church year, this volume also offers suggestions about where in the liturgy each selection can best be used. Featuring hymns from hymnals authorized for use in the Episcopal Church, the Evangelical Lutheran Church in America, and the Moravian Church in America, as well as anthems from a variety of sources, *Liturgical Music for the Revised Common Lectionary* helps liturgical planners add musical variety to services and links congregational and choral singing to the lectionary.

*Worship Workbook for the Epistles* Robert D Ingram, 2003-07 Every church, whatever its size, can be more creative and effective in proclaiming, celebrating, and responding to the scripture readings. Here is a remarkably inventive library of liturgical resources that's guaranteed to spark the creativity of anyone planning worship services. Robert Ingram's fertile imagination overflows with inspired ideas for presenting the lectionary epistle lesson, reinforced by visual imagery and recurring references throughout worship. For each Sunday and major occasion during the Christian year, *Worship Workbook For The Epistles* includes greetings, prayers, suggested hymns and choruses, and possibilities for decorating the worship space (including ideas for projected visuals). There's also a wealth of approaches for creative reading and dramatic presentation of the scripture, including movement, skits, short stories, and puppet plays. Like Ingram's acclaimed *Worship Workbook For The Gospels* series, this is a must-have volume for pastors, lay readers, musicians, artists, and drama groups -- anyone who contributes to worshipers hearing and responding to the living Word of God.
