A Faith to Confess Sidney Maurice Houghton, 1975 Here in modern English is the most famous of Baptist Confessions containing the heart and soul of the Reformation in terms of clear Biblical truth. Here is a Confession of faith for churches to be founded upon, a faith for church members to know, love, defend and propagate, a faith that church officers can hand on to future generations. The Introduction which forms a preface to this Confession explains its origin and discusses several particularly relevant issues contained in the chapters, thereby increasing the usefulness of the whole.

The 1689 Baptist Confession of Faith Stan Reeves, 2022-06 The truths that this confession promoted fell out of favor for much of the twentieth century, but in the last fifty years there has been a great recovery of gospel truth among Evangelicals and once again there are those deeply committed to the doctrines of this confession. The English language, however, has changed over time, and just as there are phrases in the Authorized Version (1611), also known as the King James Version, that are no longer as clear as they once were due to linguistic change, so it is the case with the 1689 Confession. For this reason, this new rendition of the confession by Dr. Reeves is indeed welcome. He has sought to render it readable by the typical twenty-first-century Christian reader, but with minimal change and without sacrificing any of the riches of the original text. I believe he has succeeded admirably in both of these aims. (From the Foreword by Michael A.G. Haykin)

A Modern Exposition of the 1689 Baptist Confession of Faith Samuel E. Waldron, 2013 A modern exposition of the 1689 Baptist Confession of Faith. In this extensive exposition of the 1689 Baptist Confession of Faith, Sam Waldron shows that this work is a masterly statement of the historic Christian faith. His direct and lucid style will help ministers, students and laymen alike to a clear understanding of the Confession and to see its relevance and application to our modern age. Modern Christianity is awash in a flood of doctrinal relativity. Satan and his forces love the imprecision and ambiguity which are rampant in our day. As C. H. Spurgeon observed, 'The arch-enemy of truth has invited us to level our walls and take away our fenced cities'. This exposition was originally published in 1989 to mark the 300th anniversary of the publication of the Second London Confession, which also became known as the 1689 Baptist Confession of Faith. Today, reformed Baptists world-wide hold this Confession in high esteem and many churches continue to regard it as their official statement of faith. Included in this publication is a helpful introduction on the legitimacy and use of confessions by Dr R. P. Martin, currently Pastor of Emmanuel Reformed Baptist Church in Seattle, Washington.

An Orthodox Catechism Hercules Collins, 2013-12-30 Hercules Collins, a leading pastor among the seventeenth-century English Particular Baptists, understood the potential benefits of the Heidelberg Catechism for the people under his pastoral care. In order to provide them with an accessible version within his own system of church practice, he edited the Heidelberg and published it in 1680 under the title *An Orthodox Catechism*. (from the Foreword)

The Creedal Imperative Carl R. Trueman, 2012-09-30 Recent years have seen a number of high profile scholars converting to Roman Catholicism and Eastern Orthodoxy while a trend in the laity expresses an eclectic hunger for tradition. The status and role of confessions stands at the center of the debate within evangelicalism today as many resonate with the call to return to Christianity's ancient roots. Carl Trueman offers an analysis of why creeds and confessions are necessary, how they have developed over time, and how they can function in the church of today and tomorrow. He writes primarily for evangelicals who are not particularly confessional in their thinking yet who belong to confessional churches—Baptists, independents, etc.—so that they will see more clearly the usefulness of the church's tradition.

Confessing the Faith Stan Reeves, 2012-10-01 The 1689 Baptist Confession of Faith updated in modern English for the 21st Century.

The 1689 William Kiffin, 2012-07-01 This little volume is not issued as an authoritative rule, or code of faith, whereby you are to be fettered, but as an assistance to you in controversy, a confirmation in faith, and a means of edification in righteousness. Here the younger members of our church will have a body of divinity in small compass, and by means of the Scriptural proofs, will be ready to give a reason for the hope that is in them. Be not ashamed of your faith; remember it is the ancient gospel of martyrs, confessors, Reformers, and saints. Above all, it is the truth of God against which the gates of hell cannot prevail. - C.H. Spurgeon

Two Things You Must Do to Be Saved Samuel E. Waldron,2013-06-26 The purpose of this book is to help you communicate the Gospel of Jesus Christ clearly, accurately and more effectively with others. It is not intended as a Gospel tract, but as a tool for you to be more proficient as an ambassador for Christ and His Kingdom. While it is quite fine to use this book as an evangelistic study, it is more accurate to say that this book is a study guide for those who want to be evangelists. As such, it will help you to be more accurate in your approach to presenting Gospel truth to the unsaved and perhaps give more clarity to those who are saved, but have trouble articulating what it means to be saved. This book will be absolutely invaluable to pastor and layperson alike, both now and in the future, since these eternal verities never change. With Biblical ignorance being epidemic, both in the secular world and among those in the church, this is a timely book that will be essential for the work of true evangelism!

The 1644 William Kiffin,2012-03-01 A reprint of an important Baptist Confession of Faith.The First London Baptist Confession was drafted and signed by representatives of seven Baptist churches in 1643. Published a year later, the 1644 is an historic and significant document in the corporate history of the Baptists. Here is what Baptists used to believe!

A Catechism for Boys and Girls Erroll Hulse,Evangical Press,2001-04-01 Suitable for use in family worship times or in a Sunday school setting, A catechism for boys and girls teaches children basic Christian doctrines and forms a framework for personal interaction with the Scriptures. This series of questions and answers develops a fundamental understanding of God, sin, salvation, prayer, the Bible, the church and heaven and hell. Each answer in the catechism is supported by Scripture references. The task of teaching doctrine is increasingly challenging in present-day society, but this small catechism is a helpful resource for training children in the fear and the ways of God.

What is a Reformed Baptist Church? B. S. Poh, 2017 From the Foreword by Erroll Hulse, late pastor and founding editor of Reformation Today: In a time of great confusion about the Christian Faith what could be more timely, relevant and valuable than a survey of how we have come to cherish our beliefs described as Reformed Baptists. Of course we would maintain that we are Bible-believing Christians but that description is not enough. We have to come to terms with the history of the Christian Church and this my friend Poh Boon Sing has done in a most lucid and interesting way. This work will surely commend itself not only to Reformed Baptists but to all Christians because Poh writes with respect and love towards others... Indeed this work is masterly for its compactness, multum in parvo, a great deal packed into a few pages.
