**No Lumps, Thank You** Meg Spielman Peldo, 2012 What do fishing reels, oranges, and antlers have in common? How about teacups, maracas, and pears? Find out in *no lumps, thank you: a bra anthologie* - an uplifting and entertaining photographic collection of playful brassieres created from a wide and wild variety of common objects. From *Nest Enhancement*, two bird nests adorned with delicate flowers and string, to *Hot Ta-tas*, colorful Mexican bowls filled with peppers sporting braided green onion straps, artist Meg Spielman Peldo creates remarkably clever images that appeal to both sexes and virtually all age groups. No matter what your relationship is with breasts and bras, this book will bring a smile to your spirit and a chuckle to your heart, with its quirky interpretations of the silly terms for them. A portion of the proceeds from this book will be donated to the fight against breast cancer.

**Modern Spirit** W. Jackson Rushing, Kristin Makhholm, 2013-08-08 The work of Chippewa artist George Morrison (1919-2000) has enjoyed widespread critical acclaim. His paintings, drawings, prints, and sculptures have been displayed in numerous public and private exhibitions, and he is one of Minnesota's most cherished artists. Yet because Morrison's artwork typically does not include overt references to his Indian heritage, it has stirred debate about what it means to be a Native American artist. This stunning catalogue, featuring 130 color and black-and-white images, showcases Morrison's work across a spectrum of genres and media, while also exploring the artist's identity as a modernist within the broader context of twentieth-century American and Native American art. Born and raised near the Grand Portage Indian Reservation in Minnesota, Morrison graduated from the Minnesota School of Art and the Art Students League in New York City. He spent his early career mainly on the East Coast, becoming one of the first Native American artists to exhibit his work extensively in New York. Best known for his landscape paintings and wood collages, he employed a variety of media—paint, wood, ink and

metal, paper, and canvas—and developed a unique style that combined elements of cubism, surrealism, and abstract expressionism. In her foreword to *Modern Spirit*, Cherokee artist Kay WalkingStick describes her personal association with Morrison and admiration for his authentic artistic vision. Kristin Makhholm, in her introduction to the volume, explores Morrison's ties to Minnesota and his legacy within the history of Minnesota art and culture. Then, drawing on extensive primary research and Morrison's own writings, W. Jackson Rushing III offers an in-depth analysis of Morrison's artistic evolution against the backdrop of evolving definitions of "Indianness." By expanding our understanding of Morrison's singular vision, *Modern Spirit* invites readers to appreciate more deeply the beauty and complexity of his art.

**T.L. Solien** Colleen Josephine Sheehy, Elizabeth A. Schultz, Michael Duncan, 2013 When T. L. Solien embarks on a journey, he travels through epic topics of American literature, history, and culture. This nationally recognized artist, based in northern Minnesota and Madison, Wisconsin, has recently addressed Melville's classic novel *Moby-Dick* and the Oregon Trail in his painting series and mixed media art. Whether imagining the nomadic life of Ahab's widow or contemplating the restlessness that settled the American West, Solien employs inventive combinations of collage, paint, paper, and canvas to explore American myths. Solien's artistic sources range from Matisse's cutouts to children's coloring books to Winslow Homer and Picasso. His vivid imagery offers a surreal mix of characters, scale, and media and engages historic events and themes with an innovative aesthetic. The artist has exhibited at the Whitney Biennial, the Walker Art Center, and the American Center in Paris and has received awards from the Rockefeller Foundation, the Bush Foundation, and the McKnight Foundation. *T. L. Solien: Toward the Setting Sun* features sixty color images of Solien's artworks, as well as essays by Elizabeth A. Schultz, Michael Duncan, and Colleen J. Sheehy and an interview by Erika Doss that place him in the context of American modernism, Melville studies, nineteenth-century landscape painting, and film. Moving from whaling adventures in New England to vast territories of land and opportunity in the West, Solien continues the eternal American search for self-fulfillment and rebirth in his art.

**Samson's Gift** Ellen Diederich, 2014-09-15 *Samson's Gift* a 2015 Gold Illumination award winner. It is a book that is a keeper. A wonderful children's Book about Samson, an orphaned lamb who teaches about giving. Brilliant, narrative Neo-Impressionistic paintings by the author frame this amazing sheep Christmas story where Tedra, the shepherdess, nurtures an orphaned lamb Samson and later protects him from being sheared and sold. The love of animals is reflected back to the Christ Child with grace and beauty. *Midwest Book Review* Age 5 & up This is a book for all ages and is highly recommended to augment holiday family traditions.

**Divorcees, Barmaids, and Cranks** Jeffrey Bozovsky,2016-04-01 The towns of the Red River Valley of North Dakota and Minnesota had tried to form a baseball league before, but the 1897 season promised to be special. With a longer and more organized schedule than ever before, hopes were high for a spirited battle for the pennant. Respected local leaders, including a state senator, a county sheriff, and several businessmen assumed prominent roles in ensuring the success of their city's squads. Formidable challenges came quickly for the league, however. Some of the obstacles could have been predicted, while others caught everyone by surprise. Economic troubles, infighting between league officials, and animosity between the towns and their teams became unfortunate realities. Players supplied distractions of their own with all-too-public incidents of drinking, gambling, and violence. These realities began to chip away at the foundations of the Red River Valley League, eventually bringing it to its breaking point.Despite the troubles, spirited rivalries and competitive games provided great excitement for local "cranks." These fans undoubtedly hoped, though, that the fun had lasted longer than it did.

**Paint the Revolution** Matthew Affron,Mark A. Castro,Dafne Cruz Porchini,Renato Gonzalez Mello,2016 A comprehensive look at four transformative decades that put Mexico's modern art on the map In the wake of the 1910-20 Revolution, Mexico emerged as a center of modern art, closely watched around the world. Highlighted are the achievements of the tres grandes (three greats)--José Clemente Orozco, Diego Rivera, and David Alfaro Siqueiros--and other renowned figures such as Rufino Tamayo and Frida Kahlo, but the book goes beyond these well-known names to present a fuller picture of the period from 1910 to 1950. Fourteen essays by authors from both the United States and Mexico offer a thorough

reassessment of Mexican modernism from multiple perspectives. Some of the texts delve into thematic topics--developments in mural painting, the role of the government in the arts, intersections between modern art and cinema, and the impact of Mexican art in the United States--while others explore specific modernist genres--such as printmaking, photography, and architecture. This beautifully illustrated book offers a comprehensive look at the period that brought Mexico onto the world stage during a period of political upheaval and dramatic social change.
