

Christian Coalition Family Church

Glenn T. Stanton, Bill Maier

The Family Life of a Christian Leader Ajith Fernando, 2016-07-18 Anyone involved in Christian ministry knows how challenging it is to balance ministry and family responsibilities. Many demands pull leaders in different directions—making it easy to neglect one or the other, often without even realizing it. Writing from decades of counseling and personal ministry experience, Ajith Fernando points Christian leaders back to the most important aspect of their lives: their relationship with God. He then offers practical guidance for responding to real-life situations in the home, including disciplining children, dealing with disappointment, loving one's spouse, and pursuing joy. This book presents Christian leaders with a healthy and God-centered understanding of family that leads to a flourishing home.

Family Worship Donald S. Whitney, 2020-05-01 Gathering together for worship is an indispensable part of your family's spiritual life. It is a means for God to reveal himself to you and your loved ones in a powerful way. This practical guide by Donald S. Whitney will prove invaluable to families—with or without children in the home—as they practice God-glorifying, Christ-exalting worship through Bible reading, prayer, and singing. Includes a discussion guide in the back for small groups.

Rediscover Church Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a Christian in trouble. Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In *Rediscover Church*, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks.

Big Picture Parents Harriet Connor, 2017-01-20 Being a parent in the modern world is tough. We are often overwhelmed with fear about damaging our children, guilt about our imperfections, and confusion about our role. Harriet Connor knows these feelings well. But hers is not just another parenting book full of shoulds and shouldn'ts to make you feel worse. Rather, she invites you to step back and consider the bigger picture: What is the purpose of life and parenthood? What are our

human limitations? How can we cope with our guilt and fear? What are our family's values and how do we pass them on? What is our family's structure and place within the wider community? When she was desperate for answers, Harriet Connor turned to the ancient wisdom of her ancestors--the Bible. She went looking for little pieces of grandmotherly advice, but what she found was a grand vision--a big picture--that made sense of both life and parenthood. Whether you are new to the Bible or have read it before, you will not regret taking time to reflect on its message, which has given comfort and guidance to generations of parents just like you.

No Fear Tony Perkins, 2015-09-08 This book heralds a new generation of Christians who are more than bold...they are fearless! No Fear draws you inside the stories of young, ordinary believers who, despite incredible opposition, courageously stand up for God's truth. Tony Perkins pairs each story with a biblical example and gives practical ideas for building a "no fear" perspective every day. Today, followers of Jesus Christ face more opposition to their beliefs than any generation in American history. Yet even in such a hostile cultural and political environment, it is an exciting time to stand firm in the faith. You have been chosen to live in this important hour, and reading these stories will inspire you to the same kind of courage. So what are you waiting for? "Tony Perkins has discovered a new generation of young people who love following God more than the crowd...You will discover there is still hope for America and the world after reading their stories in No Fear!" —Todd Starnes, Fox News Channel "No Fear...is a must-read book that will inspire a courageous heart in tomorrow's movers and shakers. —Dana Loesch, nationally syndicated radio host, author, host BlazeTV "As the world continues to spiral into an anti-Christian age, it's important to empower our young people with the strength and conviction to hold fast to the teachings of Christ, and No Fear does just that." —Dr. Jack Graham, Senior Pastor, Prestonwood Baptist Church Includes discussion questions after each chapter.

Sojourners in the Wilderness Corwin E. Smidt, James M. Penning, 1997 While the Christian Right has been the subject of a good deal of scholarly analysis, it has not been adequately studied within a comparative context -- across time, across different institutional systems, or across different religious communities. In *Sojourners in the Wilderness*, a host of distinguished scholars examine these dimensions of the Christian Right. The contributors analyze the Christian Right historically -- what is its relationship today with earlier manifestations? How have its organizational structures and strategies changed over time? Sociologically -- what are the current opportunities for Christian Right inroads within African-American, Catholic, and Jewish communities?; and politically -- what accounts for the affinity between many evangelical Protestants and the Christian Right within the American political context, while such an affinity appears to be lacking in other political contexts? All of those interested in religion's role in politics and history will find this book valuable.

How to Be a Christian without Going to Church Kelly Bean, 2014-06-24 As many--young people especially--leave the traditional church in droves, they often still long for a genuine Christian community in which to practice their faith and share

their spiritual journeys with others. They want to be faithful but struggle to find a place where they flourish. Whether they've already left the church behind or are merely considering it, readers will find here both heartfelt encouragement and practical steps for finding or creating a community of faith that honors God and offers rest, love, and communion with other believers. Author Kelly Bean broadens our definition of church to include many alternative forms of Christian community. With true stories of those who have given up on church and what they're doing now, this book is also helpful for pastors and churchgoers to help them understand why people leave the church--and what might be done to help them stay.

Messy Grace Caleb Kaltenbach, 2015-10-20 Sometimes, grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. *Messy Grace* shows us that Jesus's command to "love your neighbor as yourself" doesn't have an exception clause for a gay "neighbor"—or for that matter, any other "neighbor" we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it's messy. "Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders. Caleb's story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation." —Jud Wilhite, Sr. Pastor, Central Christian Church

We Gather Together Neil J. Young, 2016 Tracing the interactions among evangelicals, Catholics, and Mormons from the 1950s to the present day, *We Gather Together* recasts the story of the emergence of the Religious Right, showing that it was not a brilliant political strategy of compromise and coalition-building hatched on the eve of a history-altering election. Rather, it was the latest iteration of a much-longer religious debate that had been going on for decades. Evangelicals, Catholics, and Mormons found common cause and pursued similar ends in debates about abortion, school prayer, the Equal Rights Amendment, and tax exemptions for religious schools, but they were far from a unified bloc, cracks in the alliance shaped the movement from the very beginning. This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years.

Marriage on Trial Glenn T. Stanton, Bill Maier, 2009-10 Surely gays have the same right to marry that heterosexuals do? Isn't banning gays from marriage just like banning interracial marriage? How does someone's gay marriage threaten your family? It doesn't matter for children as long as they have two loving parents; But lots of other cultures have different ways of forming families. Why can't we?..... We all have heard these questions and concerns offered as "reasons" for why same-sex marriage should be allowed in our society. Do they point us to the truth, or are there good answers in response? How do we

respond? This book shows you that there are very compelling, caring and commonsense ways to answer every argument you might encounter in this debate. It will arm you with cogent and loving answers so that you can be an intelligent and compassionate advocate for marriage. This book is written for people who care about marriage and care about people. It is written in a conversational way to help you easily answer questions about this issue that are swirling all around us in the public debate. It is written in very plain language and is well-documented by the latest research. We will equip you to understand and explain how harmful same-sex marriage and parenting can be to people and our culture, and why natural marriage between one man and one woman is so important to the health of humanity.

The Triumph of Christianity Rodney Stark, 2011-10-25 Celebrated religious and social historian Rodney Stark traces the extraordinary rise of Christianity through its most pivotal and controversial moments to offer fresh perspective on the history of the world's largest religion. In *The Triumph of Christianity*, the author of *God's Battalions* and *The Rise of Christianity* gathers and refines decades of powerful research and discovery into one concentrated, concise, and highly readable volume that explores Christianity's most crucial episodes. The unique format of *Triumph of Christianity* allows Stark to avoid dense chronologies and difficult back stories, bringing readers right to the heart of Christian history's most vital controversies and enduring lessons.

A Neglected Grace Jason Helopoulos, 2014-03-20 Pastor Jason Helopoulos calls parents and church leaders to reclaim the practice of family worship. This indispensable means of grace directs our children to seek Christ daily, preparing them to go out into the world as fully functioning Christian adults, who love Christ and see all of life in relation to Him.

Love Thy Body Nancy R. Pearcey, 2018-01-02 Why the call to Love Thy Body? To counter a pervasive hostility toward the body and biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In *Love Thy Body*, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misportrays Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with compassionate stories of people wrestling with hard questions in their own lives--their pain, their struggles, their triumphs. Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships,

transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable.--Robert P. George, Princeton University Wonderful guide.--Sam Allberry, author, *Is God Anti-Gay? A must-read.*--Rosaria Butterfield, former professor, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family.--Richard Weikart, California State University, Stanislaus Highly readable, insightful, and informative.--Mary Poplin, Claremont Graduate University; author, *Is Reality Secular? Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen.*--Jennifer Roback Morse, founder and president, The Ruth Institute *Love Thy Body* richly enhances the treasure box that is Pearcey's collective work.--Glenn T. Stanton, *Focus on the Family* Essential reading . . . *Love Thy Body* brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality.--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it.--Scott Klusendorf, president, Life Training Institute

Feels Like Home Lee Eclov, 2019-05-07 What a refreshing book! Imagine a church whose primary emphasis is to make people feel at home. I wish every young pastor could read this book. Thanks, Lee, for a wonderful reminder of what the church is to be. -Erwin W. Lutzer, Pastor Emeritus, The Moody Church, Chicago Is your church acting like an organization or a home? You love your church, but you wonder if it could be more. There's a greeting team, but is there a true spirit of welcoming? There are committees, leaders, and programs, but is there a Spirit-led vision? There are small groups, but are people truly connected? Pastor and award-winning author Lee Eclov was troubled by these questions. Then, he had a realization: he wasn't called to lead an organization, but a family. His job was to be a homemaker, not a CEO. This paradigm shift changed everything. In *Feels Like Home*, he shares what he's learned from over 40 years of ministry about being the family of God and how to live into that beautiful reality. This short volume is full of stories of small adjustments that make a huge difference in the effectiveness, warmth, and growth of a church community. Discover how the love of a family can transform your church.

God's Forever Family Larry Eskridge, 2013-07-18 The Jesus People were an unlikely combination of evangelical Christianity and the hippie counterculture. *God's Forever Family* is the first major examination of this phenomenon in over thirty years.

Confronting Christianity Rebecca McLaughlin, 2019-04-17 Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity—issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the

reality of heaven and hell, the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ.

The Rise and Fall of the Christian Coalition Joel D. Vaughan, 2009-06-15 Christian Coalition experienced a meteoric rise in American politics in the 1990s only to see its profile and impact vanish into embarrassing irrelevancy at the end of the decade, leaving many to ask, Whatever happened to the Christian Coalition? Joel Vaughan offers a behind-the-scenes look at the Christian Coalition, once the pre-eminent, conservative grassroots political organization in America. Working closely with founder Pat Robertson, President Don Hodel, and wunderkind Executive Director Ralph Reed, the author reveals in a captivating manner the factors that caused the rapid growth of this astonishingly successful organization, and the internal strife that led to its tragic and rapid decline. Containing useful insights for leaders about organizational dynamics and grassroots movements of any kind, *The Rise and Fall of the Christian Coalition* shows how people of faith can become more effective at making their voice heard in local, state, and national elections, as well as many obstacles and ambitions to avoid. Gilbert and Sullivan wrote a song about a young man who went to work for the British Admiralty and polished up the handles so carefully that he became ruler of Queen Victoria's Navy. Joel Vaughan rose from volunteer to Deputy Field Director and, ultimately, to the dual positions of Assistant to the President and Director of Administration. He brings an insider's intimate knowledge of the explosive growth and the ultimate crisis in leadership of Christian Coalition. Full of behind-the-scenes anecdotes and revelations, this book is a must read for every person interested in American politics who wants a better idea of the pro-family movement and its foremost organization, as well as those interested in the Do's and Don'ts of running a nonprofit organization.

Gospel Fluency Jeff Vanderstelt, 2017-02-14 flu-en-cy / noun :the ability to speak a language easily and effectively Even if they want to, many Christians find it hard to talk to others about Jesus. Is it possible this difficulty is because we're trying to speak a language we haven't actually spent time practicing? To become fluent in a new language, you must immerse yourself in it until you actually start to think about life through it. Becoming fluent in the gospel happens the same way—after believing it, we have to intentionally rehearse it (to ourselves and to others) and immerse ourselves in its truths. Only then will we start to see how everything in our lives, from the mundane to the magnificent, is transformed by the hope of the gospel.

Love Your Church Tony Merida, 2021-06-01 How to grow in love for your church. God calls us to be devoted to one another in love (Romans 12:10). What does this look like for us today? How can we be the kind of church member who makes a real difference? This engaging book by Tony Merida explores what church is, why being part of it is exciting, and why it's worthy of our love and commitment. He sets out eight privileges and responsibilities of a church member: to belong, to

welcome, to gather, to care, to serve, to honour, to witness and to send. As we see how wonderful it is to belong to God's family and be a part of his amazing witness to both the earthly and the heavenly realms, we'll grow in our love for and commitment to our local church. This is a great book for every churchgoer to read, whether they're new or have been attending for some time but need re-energising with God's vision for the local church. With a discussion guide at the end of the book, *Love Your Church* is also a great resource for small groups.

Dug Down Deep Joshua Harris, 2011-05-17 Offers wisdom and guidance for Christians to strengthen their faith, discussing how God speaks to individuals, how Jesus' death on the cross paid for sins, who the Holy Spirit is, and more.

The Engaging Realm of E-book Books: A Thorough Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Versatility Kindle books, with their inherent portability and ease of access, have liberated readers from the constraints of hardcopy books. Gone are the days of lugging cumbersome novels or carefully searching for particular titles in shops. Kindle devices, sleek and portable, effortlessly store an extensive library of books, allowing readers to indulge in their favorite reads whenever, anywhere. Whether commuting on a busy train, relaxing on a sun-kissed beach, or just cozying up in bed, E-book books provide an unparalleled level of ease. A Reading World Unfolded: Exploring the Vast Array of E-book Christian Coalition Family Church Christian Coalition Family Church The E-book Store, a digital treasure trove of literary gems, boasts a wide collection of books spanning varied genres, catering to every reader's preference and choice. Christian Coalition Family Church Introduction

In the digital age, access to information has become easier than ever before. The ability to download Christian

Coalition Family Church has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Christian Coalition Family Church has opened up a world of possibilities. Downloading Christian Coalition Family Church provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Christian Coalition Family Church has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads,

publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Christian Coalition Family Church. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Christian Coalition Family Church. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Christian Coalition Family Church, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Christian Coalition Family Church has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Christian Coalition Family Church Books

1. Where can I buy Christian Coalition Family Church books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Christian Coalition Family Church book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online

reviews and recommendations.
 Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Christian Coalition Family Church books?
 Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and

other details.

7. What are Christian Coalition Family Church audiobooks, and where can I find them?
 Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
