The Great Reset Marc Morano, 2022-08-30 Here is the antidote to the left's sinister push to use a worldwide crisis to infuse our lives with the values of colossal statism and dystopian self-hatred, all accelerated by the duplicitous manipulation of the recent pandemic. From the nationally best-selling author of *The Politically Incorrect Guide to Climate Change*. Welcome to 2030. I own nothing, have no privacy, and life has never been better. This is the vision of the Great Reset, according to globalist leaders. While proponents of the Great Reset push slogans like “Build Back Better,” “The Fourth Industrial Revolution,” and “A New Normal,” the Reset is nothing short of a rebranded Soviet system, threatening to strip away property rights, restrict freedom of movement and association, and radically reshape our diets and way of life. In *The Great Reset: Global Elites and the Permanent Lockdown*, bestselling author and ClimateDepot.com publisher, Marc Morano, unveils the origins of the Great Reset, who is behind it, how it is being implemented, and how COVID-19 and the alleged “climate emergency” accelerated its imposition on the United States. Packed with telling statistics and damning quotes, *The Great Reset* is the essential handbook for the public, the media, and activists on how to critically analyze and expose the tyrannical policies silently strangling our liberties today.

Making Hate Pay Tyler O’Neil, 2020-01-20 The Southern Poverty Law Center started with noble intentions and has done much good over the years, but a pernicious corruption has undermined the organization’s original mission and contributed to a climate of fear and hostility in America. Hotels, web platforms, and credit card companies have blacklisted law-abiding Americans because the SPLC disagrees with their political views. The SPLC’s false accusations have done concrete harm, costing the organization millions in lawsuits. A deranged man even attempted to commit mass murder, having been inspired by the SPLC’s rhetoric. How did a civil rights group dedicated to saving the innocent from the death penalty become a pernicious threat to America’s free speech culture? How did an organization dedicated to fighting poverty wind up with millions in the Cayman Islands? How did a civil rights stalwart find itself accused of racism and sexism? *Making Hate Pay* tells the inside story of how the SPLC yielded to many forms of corruption, and what it means for free speech in America today. It also explains why Corporate America, Big Tech, government, and the media are wrong to take the SPLC’s disingenuous tactics at face value, and the serious damage they cause by trusting this corrupt organization.

Genericity Alda Mari, Claire Beyssade, Fabio Del Prete, 2013 This book provides an up-to-date introduction to the study of

generics. It gathers new work from senior and young researchers and is organized along three main areas of study: the generic and individuals; genericity and time; and the sources of genericity and types of judgment.

Defeating Jihad Sebastian Gorka, 2016-04-11 Now a New York Times bestseller! America is at war. The fight against global jihad has cost 7,000 American lives and almost \$2 trillion, and yet, most Americans do not understand what is at stake. The public lacks knowledge and safety because two presidents and their administrations neglected the most basic strategic question: who is the enemy? Presidents Bush and Obama both named the global jihadi movement—a movement with an intent to destroy the West—“violent extremism.” Their tidy term was an attempt to maintain peace with the Muslim community. But when they failed to appropriately name the enemy, they failed to fully understand Islamic extremism. This failure is why the U.S. has been in Afghanistan for sixteen years with no end in sight. But this war is eminently winnable if we remove our ideological blinders, accurately name our enemy, and draw up a strategy to defeat the ideas that inspire terrorism. So says Dr. Sebastian Gorka, one of the most experienced and sought-after authorities on counterterrorism. Dr. Gorka has been one of the intelligence community’s go-to experts on counterterrorism since 9/11. He’s been called to brief Congress and the Marine Corps and was asked to analyze the Patriot’s Day Boston Marathon Bombing for the US government. Dr. Gorka’s report for the trial of Dzhokhar Jahar Tsarnaev was widely circulated in counterterrorism circles and the media because it accurately painted a picture, not of a teenager on the cover of Rolling Stone, but of a terrorist. Dr. Gorka is respected by peers because he understands our enemy is not terror or violent extremism. Our enemy is the global jihadi movement, a modern totalitarian ideology rooted in the doctrines and martial history of Islam whose goals are to build an empire, suppress “false Muslims,” and engage in guerilla warfare against infidels. Taking his cue from the formerly top-secret analyses that shaped the U.S. response to the communist threat, Dr. Gorka has produced a compelling profile of the jihadi movement—its mind and motivation—and a plan to defeat it.

Cornell Iron Works Katharine Cornell Gorka, 2013-05-04 One day in 1819, a twelve-year old boy named George Cornell left his family’s farm on Long Island and traveled to New York City to become an apprentice blacksmith. By the 1870s, the company he created, and that was carried on after him by his brothers, became the largest iron works in the United States. The J.B. & W.W. Cornell Iron Works, and later the J.B. & J.M. Cornell Iron Works, worked with the leading architects of their day to take New York’s buildings from four stories in the 1850s to thirty stories by 1899. Drawing on a wealth of sources from historic company archives and New York City architectural history, this book tells the story of Cornell Iron Works, from its origins and rise to prominence in the 1800s, to the challenges it faced in the early 1900s, to its reemergence and renewed success in the 20th and 21st centuries. With Cornell now in its 8th generation of family leadership, this story has unique insights for family businesses and for American business more generally. It also fills an important gap in New York City’s architectural and business history. The role played by the iron works as New York went from being a city of wood and brick

to a city of iron and steel has been largely untold until now. Most importantly, this is the story of a company in which an ethos of integrity and concern for others that originated in 19th century America provides a foundation for success today.

The Plot to Change America Mike Gonzalez,2022-06-14 The Plot to Change America exposes the myths that help identity politics perpetuate itself. This book reveals what has really happened, explains why it is urgent to change course, and offers a strategy to do so. Though we should not fool ourselves into thinking that it will be easy to eliminate identity politics, we should not overthink it, either. Identity politics relies on the creation of groups and then on giving people incentives to adhere to them. If we eliminate group making and the enticements, we can get rid of identity politics. The first myth that this book exposes is that identity politics is a grassroots movement, when from the beginning it has been, and continues to be, an elite project. For too long, we have lived with the fairy tale that America has organically grown into a nation gripped by victimhood and identitarian division; that it is all the result of legitimate demands by minorities for recognition or restitutions for past wrongs. The second myth is that identity politics is a response to the demographic change this country has undergone since immigration laws were radically changed in 1965. Another myth we are told is that to fight these changes is as depraved as it is futile, since by 2040, America will be a minority-majority country, anyway. This book helps to explain that none of these things are necessarily true.

Fighting the Ideological War Patrick Sookhdeo,Katharine Cornell Gorka,2012 In recent years the United States has responded to global terrorism primarily as a physical threat. This book seeks to redress this imbalance by focusing on the battle of ideas. It looks at the beliefs that motivate Islamist terrorists and how the U.S. might counter them, drawing on the lessons to be learned from previous ideological conflicts.

Not Enough Horses Thomas King,2012-12-18 In the old days, suitors would bring a dowry of horses when asking for a hand in marriage. Today, Clinton comes to Houston with kittens, a recliner, sausages and a snow blower. A Short History of Indians in Canada, Thomas King's bestselling collection of twenty tales, is a comic tour de force, showcasing the author at his hilarious and provocative best. With his razor-sharp observations and mystical characters, including the ever-present and ever-changing Coyote, King pokes a sharp stick into the gears of the Native myth-making machine, exposing the underbelly of both historical and contemporary Native-White relationships. Through the laughter, these stories shimmer brightly with the universal truths that unite us. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

BLM Mike Gonzalez,2021-09-07 The George Floyd riots that have precipitated great changes throughout American society were not spontaneous events. Americans did not suddenly rise up in righteous anger, take to the streets, and demand not just that police departments be defunded but that all the structures, institutions, and systems of the United States—all

supposedly racist—be overhauled. The 12,000 or so demonstrations and 633 related riots that followed Floyd's death took organizational muscle. The movement's grip on institutions from the classroom to the ballpark required ideological commitment. That muscle and commitment were provided by the various Black Lives Matter organizations. This book examines who the BLM leaders are, delving into their backgrounds and exposing their agendas—something the media has so far refused to do. These people are shown to be avowed Marxists who say they want to dismantle our way of life. Along with their fellow activists, they make savvy use of social media to spread their message and organize marches, sit-ins, statue tumbings, and riots. In 2020 they seized upon the video showing George Floyd's suffering as a pretext to unleash a nationwide insurgency. Certainly, no person of good will could object to the proposition that "black lives matter" as much as any other human life. But Americans need to understand how their laudable moral concern is being exploited for purposes that a great many of them would not approve.

City of Iron and Dust J.P. Oakes, 2021-07-06 Fast-paced and razor-sharp dark fantasy for readers of Nicholas Eames, Anna Smith Spark and Robert Jackson Bennett A fantastic book, full of wit and sharp humor, *City of Iron and Dust* careens through a modernized faerie at a breakneck pace, full of verve and unforgettable characters. Oakes spins a smart, electric, and sometimes snarky tale, showing that the beating heart of modern fantasy is alive and well. – John Hornor Jacobs, author of *A Lush and Seething Hell* and *The Incorruptibles* The Iron City is a prison, a maze, an industrial blight. It is the result of a war that saw the goblins grind the fae beneath their collective boot heels. And tonight, it is also a city that churns with life. Tonight, a young fae is trying to make his fortune one drug deal at a time; a goblin princess is searching for a path between her own dreams and others' expectations; her bodyguard is deciding who to kill first; an artist is hunting for his own voice; an old soldier is starting a new revolution; a young rebel is finding fresh ways to fight; and an old goblin is dreaming of reclaiming her power over them all. Tonight, all their stories are twisting together, wrapped up around a single bag of Dust—the only drug that can still fuel fae magic—and its fate and theirs will change the Iron City forever.

A Drink with Shane MacGowan Shane MacGowan, Victoria Mary Clarke, 2001 But as *A Drink with Shane MacGowan* shows, the inspiration for his artistry and beliefs is as varied as his range of mind - embracing Ireland, religion, his family, esoteric philosophy and history.--Jacket.

Jottings from a Far Away Place Brendan Connell, 2015-12-01 Ranging on the fringes of imagination and erudition, forming a mosaic of stories, maxims and sketches, at once fragmentary and cumulative, *Jottings from a Far Away Place* combines the timeless, mannered assurance of the Eastern discursive essay with the experimentation of the Western avant-garde. As the focus shifts between fantastic tales and studies of viciousness, the reader is treated to, among myriad other things, the adventures of a Taoist guitar player, a bloody episode with Countess de Bathory, a recipe for cinnabar sauce, and the story of a man who has been reincarnated as a spoon. A book that is like a collection of bulletins from the world of dreams.

An Episode in the Life of a Landscape Painter César Aira, 2006-05-25 An astounding novel from Argentina that is a meditation on the beautiful and the grotesque in nature, the art of landscape painting, and one experience in a man's life that became a lightning rod for inspiration. An Episode in the Life of a Landscape Painter is the story of a moment in the life of the German artist Johan Moritz Rugendas (1802-1858). Greatly admired as a master landscape painter, he was advised by Alexander von Humboldt to travel West from Europe to record the spectacular landscapes of Chile, Argentina, and Mexico. Rugendas did in fact become one of the best of the nineteenth-century European painters to venture into Latin America. However this is not a biography of Rugendas. This work of fiction weaves an almost surreal history around the secret objective behind Rugendas' trips to America: to visit Argentina in order to achieve in art the physiognomic totality of von Humboldt's scientific vision of the whole. Rugendas is convinced that only in the mysterious vastness of the immense plains will he find true inspiration. A brief and dramatic visit to Mendoza gives him the chance to fulfill his dream. From there he travels straight out onto the pampas, praying for that impossible moment, which would come only at an immense price an almost monstrously exorbitant price that would ultimately challenge his drawing and force him to create a new way of making art. A strange episode that he could not avoid absorbing savagely into his own body interrupts the trip and irreversibly and explosively marks him for life.

The Barretts of Wimpole Street. A Comedy in Five Acts Rudolph Besier, 2022-08-16 DigiCat Publishing presents to you this special edition of The Barretts of Wimpole Street. A Comedy in Five Acts by Rudolph Besier. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Of Lamb Matthea Harvey, 2011 In this version of the children's nursery rhyme, Lamb and Mary fall in love. Then Mary has second thoughts. Lamb is a lamb, after all, not a man. Lamb, heartbroken, turns to drinking. Lamb goes to a madhouse. Mary buries her feelings. And then somehow, Lamb pulls it together. He leaves the madhouse mature--saddened but more dignified, ready for another chance to win Mary's heart, if she will have him. Award-winning poet Matthea Harvey offers a story told in short packets of verse, and artist Amy Jean Porter brings each stanza vividly to life with her eye-popping illustrations.

Rock Stars on the Record Eric Spitznagel, 2021-02-23 An all-star lineup of rock-n-rollers relay the uproariously wild, sentimental, and unexpected pre-stardom stories behind their favorite records. Rock Stars on the Record is a collection of first-hand tales by artists of all ages, backgrounds, and musical influences, remembering the meaning behind the records that mattered most to them. From Laura Jane Grace to Ian MacKaye, Don McLean to Cherie Currie, Alice Bag to Mac DeMarco, Perry Farrell to Suzi Quatro and Verdine White, and many more, bestselling author Eric Spitznagel talks to rock

stars across the sonic spectrum about the albums that changed them in ways only music can change someone. Everyone's most cherished childhood record—be it a battered piece of vinyl, torn cassette tape, or scratched CD—has a story, and those stories can be more revealing about their owners than you might expect. Read about how “Weird Al” Yankovic refined his accordion skills by playing along to Elton John’s Goodbye Yellow Brick Road, or how Fishbone’s Angelo Moore saved his life with a boombox and a Bad Brains album. Or about how Wendy Melvoin and Lisa Coleman of Prince’s longtime band, The Revolution, fell in love while trading mixtapes. Each profile is more emotional, fascinating, and hilarious than the last. So place that needle in the groove, and prepare to hear something revelatory from your favorite rockers past and present.

“Absolutely fascinating. It’s hard to believe that no one has done this before, but now that I’ve read it, it seems totally obvious—except that most journalists wouldn’t be able to get people to talk so openly and compellingly about something that, to an artist, may feel very private. I know these great musicians and their music better now. Thank you, Eric.” —Daniel J. Levitin, bestselling author of *This Is Your Brain on Music*, professor of Neuroscience and Music at McGill University in Montreal

“In asking a slew of rock stars about the record that changed their lives, Eric Spitznagel also ferrets out fascinating backstories and unexpected anecdotes. Who knew that Tommy Roe’s granddaughter calls him ‘the Justin Bieber of the ‘60s’? Or that Perry Farrell entertained his older siblings’ friends’ by dancing the Hully Gully at their parties? *Rock Stars on the Record* is so much fun, and more illuminating that you’d expect.” —Caroline Sullivan, author of *Bye Bye Baby: My Tragic Love Affair with the Bay City Rollers*

Man of Letters Thomas Sowell, 2007-04-25 *A Man of Letters* traces the life, career, and commentaries on controversial issues of Thomas Sowell over a period of more than four decades through his letters to and from family, friends, and public figures ranging from Milton Friedman to Clarence Thomas, David Riesman, Arthur Ashe, William Proxmire, Vernon Jordan, Charles Murray, Shelby Steele, and Condoleezza Rice. These letters begin with Sowell as a graduate student at the University of Chicago in 1960 and conclude with a reflective letter to his fellow economist and longtime friend Walter Williams in 2005.

Inside The Black Vault John Greenewald, Jr., 2019-04-08 The evidence in this book may not ultimately give you the “smoking gun” you are looking for on your journey, but I guarantee it will give you a box of bullets when you find it. In 1996, John Greenewald, Jr. began researching the secret inner workings of the U.S. Government at the age of fifteen. He targeted such agencies as the CIA, FBI, Pentagon, Air Force, Army, Navy, NSA, DIA, and countless others. Greenewald utilized the Freedom of Information Act (FOIA) to gain access to more than two million pages of documents. This archive includes information relating to UFOs, the JFK Assassination, chemical, biological, and nuclear weapons, and top secret aircraft. He took the millions of pages, and over the course of more than two decades, has built an archive known around the world, as *The Black Vault*. *Inside The Black Vault: The Government’s UFO Secrets Revealed* takes you on a journey within the secret

world of unidentified aerial phenomenon that has plagued the military since at least the 1940s. Declassified records prove that the UFO topic is one of the most highly classified and most elusive subjects the U.S. Government has ever dealt with. Each chapter explores various agencies and their documents, and Greenewald breaks down the meaning of why some of the most important documents are relevant to proving a massive cover-up. Along with declassified documents, Greenewald outlines the struggle it took him to get them. No other topic has proven so difficult, in more than 8,000 FOIA requests that he has filed. He explores why that might be and meets skeptics and debunkers head on, outlining why some of their more prominent rebuttals for it all cannot be true.

Literary Lapses Stephen Leacock, 1918 My financial career.-- Lord Oxhead's secret.-- Boarding-house geometry.-- The awful fate of Melpomenus Jones.-- A Christmas letter.-- How to make a million dollars.-- How to live to be 200.-- How to avoid getting married.-- How to be a doctor.-- The new food.-- A new pathology.-- The poet answered.-- The force of statistics.-- Men who have shaved me.-- Getting the thread of it.-- Telling his faults.-- Winter pastimes.-- Number fifty-six.-- Aristocratic education.-- The conjurer's revenge.-- Hints to travellers.-- A manual of education.-- Hoodoo McFiggin's Christmas.-- The life of John Smith.-- On collecting things.-- Society chit-chat.-- Insurance up to-date.-- Borrowing a match.-- A lesson in fiction.-- Helping the Armenians.-- A study in still life, the country hotel.-- An experiment with Policeman Hogan.-- The passing of the poet.-- Self-made men.-- A model dialogue.-- Bach to the bush.-- Reflections on riding.-- Saloonio.-- Half-hours with the poets: Mr. Wordsworth and the cottage girl; How Tennyson killed the May queen; Old Mr. Longfellow on board the Hesperus. --A, B, and C.

The Exile and Return of Writers from East-Central Europe John Neubauer, Borbála Zsuzsanna Török, 2009 This is the first comparative study of literature written by writers who fled from East-Central Europe during the twentieth century. It includes not only interpretations of individual lives and literary works, but also studies of the most important literary journals, publishers, radio programs, and other aspects of exile literary cultures. The theoretical part of introduction distinguishes between exiles, émigrés, and expatriates, while the historical part surveys the pre-twentieth-century exile traditions and provides an overview of the exilic events between 1919 and 1995; one section is devoted to exile cultures in Paris, London, and New York, as well as in Moscow, Madrid, Toronto, Buenos Aires and other cities. The studies focus on the factional divisions within each national exile culture and on the relationship between the various exiled national cultures among each other. They also investigate the relation of each exile national culture to the culture of its host country. Individual essays are devoted to Witold Gombrowicz, Paul Goma, Milan Kundera, Monica Lovinescu, Milos Crnjanski, Herta Müller, and to the internal exile of Imre Kertész. Special attention is devoted to the new forms of exile that emerged during the ex-Yugoslav wars, and to the problems of homecoming of exiled texts and writers.

Thank you extremely much for downloading **Katharine Cornell Gorka Wikipedia**. Maybe you have knowledge that, people have look numerous time for their favorite books once this Katharine Cornell Gorka Wikipedia, but stop stirring in harmful downloads.

Rather than enjoying a good ebook past a cup of coffee in the afternoon, otherwise they juggled past some harmful virus inside their computer. **Katharine Cornell Gorka Wikipedia** is within reach in our digital library an online entrance to it is set as public in view of that you can download it instantly. Our digital library saves in compound countries, allowing you to acquire the most less latency time to download any of our books like this one. Merely said, the Katharine Cornell Gorka Wikipedia is universally compatible taking into consideration any devices to read.

Katharine Cornell Gorka Wikipedia Introduction

Katharine Cornell Gorka Wikipedia Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Katharine Cornell Gorka Wikipedia Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Katharine Cornell Gorka Wikipedia : This website hosts a

vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, it's a popular resource for finding various publications.

Internet Archive for Katharine Cornell Gorka Wikipedia : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Katharine Cornell Gorka Wikipedia Offers a diverse range of free eBooks across various genres. Katharine Cornell Gorka Wikipedia Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Katharine Cornell Gorka Wikipedia Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Katharine Cornell Gorka Wikipedia, especially related to Katharine Cornell Gorka Wikipedia, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Katharine Cornell Gorka Wikipedia, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Katharine Cornell Gorka Wikipedia books or magazines might include. Look for these in online stores or libraries. Remember that while Katharine Cornell Gorka Wikipedia, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where

you can borrow Katharine Cornell Gorka Wikipedia eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Katharine Cornell Gorka Wikipedia full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Katharine Cornell Gorka Wikipedia eBooks, including some popular titles.

FAQs About Katharine Cornell Gorka Wikipedia Books

1. Where can I buy Katharine Cornell Gorka Wikipedia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Katharine Cornell Gorka Wikipedia book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Katharine Cornell Gorka Wikipedia books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Katharine Cornell Gorka Wikipedia audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Katharine Cornell Gorka Wikipedia books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
